This looks correct as far as the Southwest Region projects go. I will defer to Dave for those from Northwest.

Hi Dave Garland & Kim M,
I want to make sure that the attached table is a fairly accurate representation of the Puget Sound TMDLs / STIs planned by SWRO and NWRO. I took the chart that Melissa sent us (for our meeting yesterday), crossed out a few projects that are definitely not in Puget Sound, and then added the projects that were mentioned during the All Hands meeting last week.
Could you please take a quick peek and make sure I haven't missed anything significant?
thanks & have a wonderful Thanksgiving,
Laurie
